1/31/25

Hello, Readsboro Families!

This week had some wild weather! After we got to school on Wednesday the snow started coming down resulting in many reports about how terrible the roads were! Unfortunately, that meant we had to cancel our Winter Activities. Today, the impending freezing rain and then snow gave us a snow day!

On Wednesday, 1/29, we held our required options-based drill. All classes responded well, and we use this information to improve our practices.

Report Cards, Fastbridge reports, IEP progress notes, and attendance letters were sent home with students on Monday. If you have any questions about these reports, or how your student is doing, please do not hesitate to reach out to your child's classroom teacher.

The Readsboro Central School PTG will be doing a Spring Calendar Raffle! A flyer and tickets will be going home with students next week. This will be a great opportunity to support the PTG and be in the running for some great prizes donated by our amazing community!

Please send your student to school with snow gear. Students should have boots, snow pants, coats, gloves/mittens and hats. We do have extras, but getting ready for recess is much smoother when students have their own gear! We go outside every day, unless temps are under 10 degrees.

Students should be sent to school daily with a snack. All classes have a morning snack, and Pre-K/Kindergarten also has an afternoon snack. We usually have some fruit available for students if they don't have one. However, please send one if you are able.

For snow days, delays, and other important information, there are times that a "robo-call" is sent out. In most circumstances, a call, email, and text message is sent. If you haven't received any of these from us, or would like to change the contact information please reach out and let us know.

### **Upcoming Dates:**
