

## The September Recap!

Readsboro Central School 9/2022

September was a great first full month of school for us here at Readsboro Central School!

We have welcomed new staff to our school this year. We have Ms. Nocher (Grades 1-3), Ms. Goulette (P.E.), Ms Saldo (Art), Mr. Nicol (Nurse), Jesse Lane (para), Lauren Biasi (para), and Inger Strom-Henriksen recently began subbing for Guidance.

Eagle Feathers were implemented for students going above and beyond our normal expectations. We are especially recognizing students who are exhibiting the Portrait of Student Success competencies (Communication, Adaptability, Empathy, Collaboration, Responsibility, Critical Thinking). The students earning Eagle Feathers in the month of September were: Easton, Toby, Cameron (2), Sawyer, Gavin (2), Anabelle, Seth, Hunter, Makiya, Ryan, Vienna, Allayna, Chayton, Korbin, Charlie, Toby, Carter, Maeve, Joslyn, and Jack.

We hosted an Open House on 9/21. The majority of our students were represented and we were very happy to have families come see our school and what we have been learning!

Student "Specials" occur on the following days:

PE-Monday/Thursday

Music-Wednesday

Art-Friday

Library-Tuesday

Guidance-Tuesday (Grades 1-3), Friday (PK/K, 4-6)

United Counseling Service began small “Social Emotional Groups,” for students who have permission. We are very excited about the strategies that will be taught.

In focusing on our Portrait of Student Success competencies, we are doing a lot of collaboration here at RCS. Our 4/5/6 class with our Pre-K/K class did research about monarchs and did video news reports. Our 1/2/3 class together with 4/5/6 do team-building activities every Wednesday. Pre-K/K and 1/2/3 do “Reading Buddies” together. We have school wide lunch and recess everyday where our older students have been great role models! All classes are working on the garden beds out front of the school and will be planting milkweed and winter garlic.
