Happy Friday, Readsboro Families!

The news of an attempted kidnapping in Wilmington this week hit home for us here in Readsboro. I spent time this morning talking to each class about safety in public, being aware of their surroundings, and never going with strangers.

Next week is "I Love to Read Week!" Each day we will have a guest reader read to the entire school at an all-school meeting. The attached flyer outlines who will read each day!

Wings Summer Camp information and registration is now available! Here is the link to the info: <http://www.wingscommunityprograms.com/> and it is attached to the weekly email. Hard copies are available, if needed.

As we are now in the homestretch of the school year, just a reminder that students should not be bringing toys to school. This is a school rule. The only exception is if your student's teacher gives them permission for sharing or student of the week. We appreciate your support in this matter.
