6/10/22

Hello, Readsboro Families!

I can't believe it is here—the last day of school for the 2021-2022 school year! Thank you families for allowing me and my team of amazing teachers and staff to work with your children every day. We have seen so much growth this year, and we look forward to welcoming them back in August!

What a week this has been! We had an incredible day at Rowe Lake, and we couldn't be more thrilled to have brought the tradition back! Our 1st-4th graders spent the day at Lions Park on Wednesday making butter, exploring nature, and even did the mentos-coke experiment! And, of course, last evening we had our 8th grade graduation! So proud of our three 8th graders—Olivia Bills, Tronn Candiloro, and Derek Pratt! All three are off to McCann in the Fall! Congratulations and best of luck! Thanks to all the staff and families who made it happen—and thank you to Marian Lane and Milo Stys for being our adorable ushers!

We are very excited to announce that we will be offering a full-day 4 year old preschool program next school year, in a devoted preschool classroom. We have hired Ms. Kaylea Nocher to be our preschool teacher. We are first opening up our preschool to 4 year olds (must be 4 by the first day of school), and will then open up half-day afternoon preschool to 3 year olds, space dependent. Kindergarten will be taught by Ms. Richardson, in the current 1st/2nd grade classroom, and other classrooms will shift, as well. Please contact Alex Filiault or Robyn Oyer for a preschool enrollment packet.

There will be a Town Meeting on July 18 at 7:00 pm to vote on dissolving 7th and 8th grade at Readsboro Central School, and thus giving those students school choice. We will hold an Informational Meeting on Monday, July 13 at 7:00 pm at Readsboro School to give information and answer questions related to the vote.

My wish is that you have an amazing and safe summer! Enjoy the time together and all that our area has to offer! Be safe, and I hope to see you around this summer, but if not I will see you in August!

Have a great summer,  
Robyn C. Oyer
