Hello, Readsboro Families!

This week our 3rd, 4th, 5th, and 6th grade students attended a performance at the Latchis Theatre in Brattleboro. Ms. Whelpley and Mr. Z took students to see “The Musical Journey of Phillis Wheatley.” The students enjoyed it, and we were happy to provide this experience to them!

We “Spring Forward” this weekend! Don’t forget to change your clocks and begin enjoying more daylight!

Spring Conferences (student led!) are coming up! Teachers have reached out to families to schedule those—if you have not heard from your student’s classroom teacher, please contact them to schedule..

We are beginning to prepare for our Science Night which will be April 6th at 6:00. We hope to see many families that evening!

As a reminder, pick-up from the after school program on Wednesday is 3:00. Please ensure pick-up by this time.

Eagle Feathers this week were awarded to: Bryan, Easton, and Makiya! Great job!
