6/9/23

Hello, Readsboro Families!

Monday morning 6/12 is our school wide field trip to Rowe Lake. The weather looks iffy, but it looks better for Monday than it does for Tuesday. We are going to go for it! Families are welcome to join us. We will be at the park until around 1:00.

Today is the last day of Wings for the school year. Please plan accordingly.

We want your feedback! Help us get better!! We are asking families to complete a [Family Survey](#).

Please ensure that if your student has a library book(s) that they return it before the end of the school year—or that you have a plan to return it. Ms. Cyndi wants students to read as much as possible, but also wants to make sure the Library gets all of their books back!

Eagle Feathers this week were awarded to: “the Fitness Day kids”! Great work, and thank you for all you do!

Upcoming Dates:

6/12/23-Rowe Lake! (Rain Date: 6/13)

6/15/23-Field Day!

6/16/23-Last Day of School! Dismissal at 12:45

I hope you all have a wonderful weekend!

Robyn C. Oyer
